

Healthcare is more than just a business. If you agree, read on.

**And become a franchisee with the
Merrygold Health Network.**

There are many ways of becoming an entrepreneur, but here's one that's all about care. Care to touch people's hearts. By becoming a part of the fastest growing health care provider for women's health, childcare and family planning services in the state of Uttar Pradesh.

The Merrygold Health Network aims to provide quality maternity and child care services at affordable prices to people who have been denied access to such facilities. To bring its services right to the people's doorstep, the network seeks to establish over 70 franchisee hospitals in all districts across the state.

We therefore call upon all interested entrepreneurs and enterprising doctors to mail their expression of interest with credentials, within seven days of this advertisement to - merrygoldhospitals@hlfppt.org. Or write in to the address provided below.
